**How to connect Nook HD+ to IU Secure**

1. Turn on the Nook HD+.

2. Tap on the *user* icon and drop it to the lock icon at the center.

3. Tap on the wheel like icon at the top right-hand corner.

4. Tap on the *Change* button.

5. Tap on on IU Secure.

6. In the pop-up box, type in your IU username (in the *Login* box) and password. This is the same as the one you use to login OnCourse or OneStart.

6. Tap on *the Connect* button.

7. Click the *Continue* button in the Verify Unknown Certificate pop-up box.

You are now connected to IU Secure!
