How to connect iPad Mini to IU Secure

1. Turn on the iPad Mini

2. Look for the Settings icon, and tap on it.

3. Look for and tap on Wi-fi under Settings on the left.

4. Tap on IU Secure.

5. In the pop-up box, type in your IU username and password. This is the same as the one you use to login OnCourse or OneStart.

6. Tap on Join at the top right hand corner of the pop-up box.

7. Click the Accept button in the Certificate pop-up box.

You are now connected to IU Secure!
